PARISH OF ST JOSEPH CHELSEA

11TH SUNDAY OF ORDINARY TIME

16 JUNE 2024

This is part two of a three part series exploring Bishop Tony's report after his Episcopal Visitation on the Palm Sunday weekend.

Bishop's Report Arising from the Episcopal Visitation, 21st, 23rd, and 24th March 2024.

Parish Finance Committee

Fr Kevin Williams, Annie Pineda, Nestor Pineda, Michael McCarthy, Matteo Valli, and Bernard Negline (Parish Accountant).

The Parish Finance Committee met with the Bishop and then shared dinner together.

Observations: The parish has a good Thanksgiving/Stewardship rate and it receives a regular rental income from Villa Maria Catholic Homes. There is some land that is rented on a peppercorn rent to the Department of Housing which will come back to the parish in 2038. There is a good response from the school families to a voluntary levy. The members discussed the following matters: the parish priest pointed out that there was some major repairs to be done to the church roof for which there are no quotes but he informed the Committee that it would be around \$100k. He also mentioned that some brick work needed to be repointed. The Presbytery needs attention to the box guttering and the rusted gutters and the wooden window frames need painting. The members mentioned that it was time to do a Thanksgiving renewal in the next twelve months.

Commendations and Recommendations:

1. That the PFC be congratulated for their oversight of the parish finances.
2. That immediate attention be given to the roof and guttering repairs to the Presbytery and to the internal repairs due to water leaks (The PP informed the bishop that he was waiting for Dao Tran (CAM) to get back to him – bishop advised PP to ring Dao and arrange for immediate repairs).
3. That an assessment be made of the church roof and provision be made for a timely repair even if that means taking a loan from CDF.
4. That the window frames & wood associated with the Presbytery be repainted in Marine grade paint.
5. That the members of the PFC do an internal inspection of the Presbytery – particularly the priest's living area and recommended the PP do any upgrading they think is appropriate.

Safeguarding

Fr Kevin Williams and Mike Shaw met with the Bishop. Maree Dalton is also part of Safeguarding.

Observations: Mike Shaw appears to be well across the Safeguarding requirements and notes that the main tasks have been the monitoring of Working with Children Checks, the Training and the Declaration Statement. Mike says that it is like "painting the Sydney Harbour Bridge." Mike noted some pressure points: The Junior Legion of Mary, Altar Servers and that an audit of trip hazards needs to be done given the number of elderly parishioners.

Recommendations: That the Committee look to increase its membership and to publicise the members to the parish as the PPC does in the Church. That the Committee look to adapt the Risk Management tool provided by the Archdiocese to all parish social events.

...Part 3 next week...

Propagation of the Faith Appeal Weekend.

You're invited to partner with the Church in Mongolia to help deliver essential services to people who need it most. Lack of access and social stigma mean that some of the most vulnerable people are not getting the support they require.

This week, we are called to "Invite others to the banquet", and we will invite you to share the warmth of God's love with our brothers and sisters who need it most in Mongolia. You can support this work by using the appeal envelope or going online at catholicmission.org.au/Mongolia. Your gift will also assist many other Church programs around the world.
