PROPAGATION OF THE FAITH ANNUAL APPEAL: Each year, we collect money to support the work of Catholic Mission, which is the Pope's international Mission agency in Australia. Catholic Mission is part of an international organisation that partners with communities, supporting grassroots projects which help them to flourish. Its network of religious and lay missionaries operates in Africa, Asia, Europe, Oceania, and the Americas. Catholic Mission's work supports children, communities, and future Church leaders across education, healthcare, and spiritual care. More information about this year's collection is below.

**GO AND INVITE
EVERYONE**
to the banquet

This week, you're invited to partner with the Church in Mongolia to help deliver essential services to people who need it most. Lack of access and social stigma mean that some of the most vulnerable people are not getting the support they require.

The House of Mercy will provide a haven for many people, including those affected by homelessness and domestic violence. Without your partnership, people in need will go without the assistance they require.

During World Mission Sunday, we are called to "Invite others to the banquet", and we invite you to share the warmth of God's love with our brothers and sisters who need it most in Mongolia. You can support this work by using the appeal envelope, going online at catholicmission.org.au/mongolia, or scanning the QR code. Your gift will also assist many other Church programs around the world.

WEEKDAY MASSES: This week, we have weekday Mass at 9:15 am on Monday 17th June, Wednesday 19th June, and Friday 21st June.

ANointing OF THE SICK: The Sacrament of the Anointing of the Sick is for those who are living with serious illness (including significant mental health challenges) or the frailty of old age. It can also be received before significant surgery, or when a person is in danger of death. This anointing with oil blessed by our Bishop heals and strengthens us. It gives us the courage and peace that we need in times of challenge or crisis. It also helps us resist the temptation to feel discouraged, anxious or afraid when we face serious health issues. The Anointing of the Sick can be received at Mass or in a small, private prayer service. Several people have recently received this sacrament before surgery or because of various health problems. If you would like to receive this sacrament, please speak with Fr Kevin.

CASHLESS DONATION POINT: As we move towards a cashless society, we have installed a cashless donation point in the narthex or foyer of St Cecilia's Church. It's on a small shelf just inside the entrance, near the table for the parish bulletins. You're able to donate \$5, \$10, \$20, or \$50. Thank you for supporting our parish.
