

SAFEGUARDING

Everyone has the right to be safe and protected from abuse.

No one should behave in a way that makes you feel **unsafe** or **afraid**, including **anyone in your family, anyone at church or in the community.**

Child safeguarding is everyone's responsibility.

Adults at church and in the community must **listen** and **respond** to concerns about child abuse.

If you suspect abuse of any child or vulnerable person, even if you are not sure, you have the responsibility to report it to someone who can help, like our
