Gospel Focus

Words of Institution

THE words of the gospel passage in which Jesus takes bread and wine and blesses them will be familiar. They are the words used at the consecration of the bread and wine during the Mass.

The words and actions of Jesus at the Last Supper are regarded as instituting the celebration of the Eucharist. Jesus took an act that was familiar to the Passover meal and gave it a new meaning and a new significance for his followers.

What had been a memory of escape from slavery in Egypt became an ongoing reminder of Christ's continued presence in the Eucharist and in the Eucharistic community.

This is my blood, the blood of the covenant,
which is to be poured out for many.

Mark 14:24

RESPONSORIAL PSALM

*I will take the cup of salvation, and call on the name
of the Lord.*

GOSPEL ACCLAMATION

Alleluia, Alleluia!

*I am the living bread from heaven, says the Lord;
whoever eats this bread will live for ever.*

Alleluia!

Getting started with parental controls in social media, games and apps

Many social media sites, games and apps now come with parental controls. The eSafety Guide has advice on safety features that can be useful for parents and carers, including how to use the settings to protect personal information and report online abuse.

Here are some examples of the parental control features included in popular social media, games and apps.

Roblox

Roblox is a game creation platform that allows users to design games, play together and chat. Using built-in parental controls, parents can manage the way their children use the game. These features include a 'restricted' mode that prevents access to chat and inappropriate games.

Find out more about Roblox safety settings in [The eSafety Guide](#) or Roblox [account restrictions](#).

TikTok

TikTok is a social media app for creating and sharing short videos. TikTok has a feature called Family Pairing that allows parents to link their Tik Tok account to their teen's account. Family pairing lets parents set controls like how much time their child spends on TikTok, the content they can see and their privacy settings.

Find out more about TikTok's safety settings in the [The eSafety Guide](#) or TikTok [for parents](#).

YouTube Kids

YouTube Kids is a filtered version of YouTube. Parents can create a separate profile for each child in their household. YouTube Kids uses a mix of automated filters, human review and parent feedback to limit the content that kids can see on the platform. Parents can also manually approve videos for their kids to watch, block videos and set screen time limits.

Find out more about YouTube Kids in the [The eSafety Guide](#) or [YouTube Kids](#).

Facebook Messenger for Kids

Messenger Kids is a free video calling and messaging app owned by Facebook. Parents can monitor their child's activity and control their contact list using a Parent Dashboard. Parents can sign up on behalf of their child, and it doesn't require the child to have Facebook account. Messenger Kids does not show advertising or offer in-app purchases.

Parish Offertory Campaign

Dear Parishioners, this weekend will conclude our parish offertory giving process. For those of you who have returned your pledge cards, thank you very much for doing so.

For those who haven't returned your pledge cards as yet, you can return them in the offertory collections at Mass, at the designated boxes in the foyers of the Churches or to the parish office. There will also be generic pledge cards on the pews this weekend that can be filled out and returned straight away.

Thank you for your faithful participation in our parish offertory process over the past few weeks.

Each offering, no matter the amount, is an expression of love and gratitude to God. It is a testament to your faith and trust in His provision.

Memorial Wall Plaques

Our Memorial Wall next to St Dominic's Church has spots available to commemorate former parishioners and loved ones whose remains are buried or interred elsewhere with a memorial plaque.
