PARISH OF ST JOSEPH CHELSEA

27TH SUNDAY OF ORDINARY TIME

6 OCTOBER 2024

The 6th of October marks the observance of St Vincent de Paul by the Archdiocese of Melbourne. His feast day falls on the 27th of September. St Vincent de Paul was born in France in 1581, and through his early life, tended to the farm of his parents along with his siblings. At only 15 years of age, his father sent him to the seminary, and he also studied Theology at the University of Toulouse. He was ordained a Priest at 19 – but the rules of the time prevented men under 24 from becoming Priests. So, Vincent decided to continue his studies, studying further Theology and Canon Law at the University of Paris.

Vincent was abducted and enslaved, taken to Tunisia to work for fisherman and farmers for over 2 years in 1605. A sympathetic captor finally freed Vincent, travelling with him back to France, and Vincent was able to complete his studies, finally becoming a Priest. He was appointed as spiritual advisor to Queen Anne, the widow of Louis XIII. Having a connection to royalty and the rich of France allowed St Vincent to seek donations for food and supplies for the poor of Paris. He was able to collect money from the wealthy for hospitals and missionary projects. He supported and prayed with imprisoned slaves and victims of war. Today, the name of St Vincent De Paul is synonymous with outreach to those in need. His charity and compassion live on through the St Vincent de Paul Society. In Australia, the St Vincent De Paul Society has over 45,000 members and volunteers – people who share the vision of St Vincent to help the disadvantaged and impoverished, offering support through programs and delivering aid at a local level.

“We should strive to keep our hearts open to the sufferings and wretchedness of other people and pray continually that God may grant us that spirit of compassion, which truly is the spirit of God.” St Vincent de Paul
