

St Mary of the Immaculate Conception, Williamstown

Parish Statement of Commitment

St Mary of the Immaculate Conception, Williamstown (St Mary's) holds the care, safety and wellbeing of children and adults as a fundamental responsibility of the Church. This commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the dignity of each human person at the heart of the Gospel. A culture of safety within the Church ensures that every child and adult can actively and fully participate in the life of the Church and realise their potential in a faith community.

This commitment extends to clergy, employees and volunteers within St Mary's, regardless of their role or level of responsibility to act to safeguard children, young people and adults at risk from abuse.

We are committed to upholding the safety and dignity of each child, young person and adult at risk and ensuring that they are able to grow and develop in a caring and supportive environment in our Church.

The Catholic Church has a mission-driven moral and legal responsibility to create nurturing environments where children are respected, where their voices are heard, and where they are safe and feel safe. We acknowledge that preventing child abuse requires proactive approaches across policies, procedures and practices consistent with the requirements of the Victorian Child Safe Standards.

We are committed to creating a child safe culture across our parish community that safeguards children, young people and adults at risk from all forms of abuse.

St Mary's sets clear behavioural expectations with an overarching commitment to the protection of children, young people and adults at risk from all forms of abuse. All child safety concerns and allegations will be treated very seriously, and reported in line with our moral and legal obligations articulated in the Safeguarding Children and Young People Policy.

We are committed to zero tolerance of all forms of child abuse and discrimination, and will always act to safeguard children, young people and adults at risk and report suspected abuse promptly to the appropriate authorities.

We are resolutely committed to ensuring that all those engaged in the Church are aware of the inherent vulnerability of all children, young people and adults at risk and acknowledge their own responsibility to promote the dignity of children, young people and adults at risk and their fundamental right to be respected and nurtured in a safe environment. Every person involved in the Catholic Church has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children, young people and adults at risk is at the forefront of all that they do and every decision they make.

St Mary's endorses the Archdiocese of Melbourne commitment to the safety, wellbeing and dignity of all children, young people and adults at risk.
