PENSIERO DOMENICALE

C'è tanto buio nel mondo al giorno d'oggi da far spavento. Però il Vangelo di oggi contiene quelle magnifiche parole di Gesù: "Io sono la luce del mondo!".

Cristo è davvero la luce del mondo e della nostra vita. Oggi è bene riflettere per vedere quanto bisogno ognuno di noi ha di questa luce per il mondo e per la nostra vita individuale. Rivolgiamoci a Cristo, la cui luce brilla su di noi.

LIVING THE GOSPEL

Bring light and life to others this week.
Is there some way you can assist in 'healing' another?

Please remember in your prayers/Gentilmente ricordate nelle vostre preghiere:

OUR SICK / NOSTRI MALATI

Our family members, our friends and our parishioners.

WE REMEMBER / RICORDIAMO ANNIVERSARIO

Our family members, our friends and our parishioners.

Responsorial Psalm

Response: The Lord is my shepherd, there is nothing I shall want.

HAPPY BIRTHDAY/ BUON COMPLEANNO

Cordiali auguri a

Antonio Pira che ha celebrato i suoi **95 anni** il 11/3

Pace, buona salute e felicità!

A NOTE FROM NICK PEPPER (VOLUNTEERING IN SAMOA)

Hello everyone

I am working and living at Don Bosco Technical Centre in Alafua, Samoa. I am teaching computer studies to the Year 2 and Year 3 students (16-20 years old).

One of my first jobs when I arrived was to set up the computer lab including installing and configuring 50 refurbished laptops that arrived from Australia. Now that job is complete, I am able to do a lot more hands-on learning with the students. The computer studies program is very much hands-on to equip the students with computer literacy skills to prepare them for entering the workforce.

The weather is ok but the mosquitoes are super annoying and I'm getting regularly bitten especially on my feet and ankles. I apply repellent which is helping a little bit. I'm hoping that after the wet season the mozzies drop off a bit because you can't really be outside for long periods of time without being bitten.

Food on the island in general is pretty average from what I've seen so far. Lots of taro, rice and tinned meats and fish, Green veggies are rare and there's not a lot of variety. I do miss fresh fruit and dairy products like yoghurt. Dairy products except for long-life milk are rare over here.

I miss the people from the parish.

Regards to all.

Nick
