Good Evening/ Morning!

We gather to celebrate our Eucharist and to express our unity as the Church of Christ. It is in the Church that we are called to spread the Good News to the world. Today we renew our commitment to witness to that Gospel Message.

Our celebration brings us together that we may support one another as the Spirit fills us with new life. May this day give us strength to fulfill our mission.

**** Kindly place your mobile on silent mode during the Mass. Thank you!**

Please now stand (and sing the gathering hymn)

Celebrant

We have come to worship God and to proclaim God's glory. We now recall our baptismal promises to overcome the evils of our life which hinder us from living the ideals of the kingdom.

@ We seek your forgiveness for those transgressions which have hurt the community.

Lord, have mercy.

@We ask your help in overcoming our weaknesses which lead us to sin. Christ, have mercy.

@ We acknowledge your love and care that enables us to grow in love and life.

Lord, have mercy.
